

## Luxasia

### **About us**

Luxasia Group is the leading Omnichannel partner for luxury beauty and lifestyle brands to reach Asia Pacific consumers. We give brands the one-stop access to the largest retail and e-commerce network in beauty and luxury. Since 1986, we have endeavoured to make a difference to our consumers by bringing them the finest beauty and luxury brands from all over the world.

### **Our Views on HR**

We believe in grooming fresh talents and foster an environment for regional collaboration and cross-sharing, where ideas are exchanged, and expertise sharpen. From on-the-job learning and mentorship by Leaders, Luxasians are developed to become better professionals.

### **Student's Feedback**

Students who interned at Luxasia shared that we work in a challenging and fast-paced environment where they are pushed beyond boundaries to try new ideas, embrace failure as lessons while continuously improve and deliver. They had the opportunity to be exposed to actual working conditions, learning on the job and the varied opportunities available across departments.

### **Collaborations with IHLs**

We have hired interns from diverse backgrounds and proactively collaborated with universities to attract young talents onboard our Internship Program. To date, we have recruited over 60 interns across the regions and departments.
