Our Views on HR

We groom young and fresh talents by giving hands on work experience and learning opportunities for them to grow.

Our internship programme guarantees valuable learning in fashion and lifestyle.

We have always welcomed young and fresh talents to join our team. Hands on work experience and learning opportunities are given to the talent to grow to their full potential. Whether it is for the frontline stores to head office to distribution centre we strive to have the right fit for the intern.

Student's Feedback

We have enjoyed the work culture and valuable experience in terms of real working life environment including in the fast emerging Digital & E-commerce platforms.

Collaborations with IHLs

We have been participating in the internship programme since 2014 with ITE and Poly. To enhance our internship programme, we are also looking into the overseas internship placement.
