

RISIS 

Who are they?

Established in 1976, RISIS is the manufacturer and retailer of Singapore's famed Golden Orchids. Plated in precious 24K gold, these natural orchids are one-of-a-kind. In recent years, RISIS has also ventured into producing handcrafted collections of jewelry, sculptures and lifestyle objects. RISIS has close to 20 retail points of sale in Singapore, and continues to grow its presence in overseas markets such as Vietnam, Dubai and China.

What are their views about HR & talent?

RISIS believes in creating an all-inclusive work environment, one that includes people of all age groups, and always welcomes fresh talent and the new perspectives and skills they bring. The company takes pride in giving these young talents the opportunity to learn and grow, and to fully develop their skills.

What are students' feedback?

The job exposed them to a lot of new experiences. Colleagues were very helpful and nurturing and were always willing to guide them.

How have they collaborated with IHLs?

Being an SME, RISIS through the SME Talent Programme (STP) has engaged a fresh hire from Temasek Polytechnic (TP) and till this day, continues to collaborate with TP and other IHLs for internships.
