

TESSELLATE.CO

YOUR EVERYDAY JEWELLERY

About US

Tessellate.Co is a Singaporean jewellery label & boutique that offers high quality handcrafted jewellery. Our designs are a blend of South East Asia's classic jewellery style with a contemporary touch, creating timeless pieces for every individual. Most pieces feature high-quality semi-precious gemstones that are individually handpicked.

Our Views About HR & Talent

HR is extremely important to facilitate our daily operations, especially since staffing is extremely important in our trade. It is also important to train the staff well so they can perform better, and also cultivate a culture that can allow them to have a sense of belonging.

Students' Feedback

Students who interned with us felt they were exposed to new knowledge about designing, operations in this retail trade.

How have we collaborated with IHLs

Through the SME Talent Programme, Tessellate was able to work with students from universities such as NUS through the internship pool.
