

About US

Oriental Royalty Singapore Pte Ltd is all about sourcing and distributing unique quality products to the ever-growing Singapore market. In this dynamic marketplace, we are distinguished by our strong belief in customer service, quality and speed to delivery. Inaugurated in 2010, Oriental Royalty Singapore now distributes over 100 product lines across a vast network of hamper companies, HORECA channels and off-premise retail outlets.

Our Views About HR & Talent

We value all employees in our company. Every contribution is important and we keep a transparent communication among all employees

Students' Feedback

Students who interned with us felt that the internship with us was indeed a learning experience and that we tend to value their feedback and act on it with all earnestness.

How have we collaborated with IHLs

We have been working with NTU Business students for industrial attachment to join us in developing our online sales channels and partake in digital marketing.
